

# Comenius 2011 – 2012

**How to feed birds in winter ?**

**We are going to make fat balls with lard and various seeds.**

**We have mixed the two.**

**It's a funny game !**

**We have recycled oranges net.**

**We have learned how to make knots.**

**Then, we have hunged the balls in the trees.**

**It will be easy to see them.**

# Good appetite birds !

- We will monitor the consumption and replace if necessary.
- Students from the class of inclusive education.
